⁽¹⁾ Explore is an optional exploratory class for K-2 held on Tuesday and Thursday from 12:15 to 3:15.

⁽²⁾ This fee does not include the cost of the spring middle school class trip. This mandatory trip costs approximately \$300-600. Fundraisers are organized to partially offset this expense.

The tuition rates include a **20%** tuition reduction for all additional students in the same family (not the first or oldest child). **This discount does not apply to fees.** All tuition and fees shall be paid in full when due. **Once the signed enrollment contract is received, it is assumed the student is enrolled for the entire year.** Because the school's expenses are incurred on an annual basis, the school sets the budget and teacher contracts based on the parents' enrollment commitment. If a student is withdrawn during the school year, written notice is required and a withdrawal fee equal to one quarter of the annual tuition and the balance of the non-refundable fees (activity and book and supply) is due and payable. This is in addition to the pro-rated tuition up to the last day enrolled in school. The school's financial calendar is June 1 -May 31. If a student is withdrawn during the summer (before the first day of school), the family is responsible for tuition equal to one quarter of the annual tuition. Extenuating circumstances may be appealed in writing to the SMT.

Tuition and Fees may be paid in the following ways:

- **One-time payment for the entire year.** Families choosing this option will receive a 2% yearly tuition discount. Payment is due on June 1.
- **Monthly payments through the FACTS Management payment program.** Families authorize an automatic bank draft from their designated savings or checking account. The draft dates are on the 5th or 20th of each month. A FACTS form must be completed and returned to the school office at the time of enrollment. A voided check or savings deposit slip must be submitted along with the form.
- Families enrolled prior to the 2001-2002 school year may continue to use the old payment plan, but are strongly encouraged to use FACTS to streamline payment processing.
